Performance Tester – Test Analyst (Lead)

- Great opportunity to learn new skills and excellent career progression
- Great team environment with an excellent work/life balanced culture
- Ideal Sydney CBD location right next to Town Hall Station

Espreon is a 100% owned SAI Global Company. Espreon is the pre-eminent provider of outsourced national settlement, stamping and registration services to solicitors and to tier banks. In total, we perform over 250,000 settlements a year and lodge over 500,000 documents across Australia.

We are looking for an experienced Tester to join our growing Technology team to lead the direction for testing within the business. The role will be required to establish best practice testing processes with the aim to deliver automated test coverage for business critical systems.

Your key responsibilities within this role will include:

- Development and application of test standards and procedures
- Develop and articulate test plans, test cases and test completion reports
- Execution of test cases, identification of issues and reporting of outcomes
- Preparation of test data required for test execution
- Be an evangelist for testing throughout the development and delivery life cycle educating team members and business stakeholders of its role and importance

Skills highly desirable in this role include:

- Experience with test automation and performance testing tools including Mercury QTP
- Experience establishing test processes and methodologies in a business unit
- Knowledge of the SDLC and Agile development methodology and testing phases within
- Knowledge of .NET development framework
- A thorough understanding of testing methodologies and
- A passion for testing and desire to drive and shape testing within our organisation

If you have a passion for testing and would like to shape the testing environment in a growing high performing business, this is the opportunity! We are the market leader in our field, with a reputation to match. Our clients are a mixture of the world's largest brands, and small business. We aim to be strategic partners with our clients, and require a great team to make this happen.

To apply for this position email jobs@espreon.com.
